

TROY SCOTT COMMUNITY FRIDGE

Take what you need. Leave what you can.

NEIGHBOURS HELPING NEIGHBOURS

The Troy Scott Community Fridges are about neighbours helping neighbours. You're welcome to take as much food as you like, whenever you like.

Whether you're looking for a quick snack or topping up groceries, we want everyone to have access to nutritious food. Food is donated daily from businesses, organizations and people like you.

Outdoor fridges are accessible 24/7, and indoor fridges are accessible during building hours.
