

The Schoolhouse

a community learning hub

Capital Campaign

Bring out the cap and gown,
Westben's graduation is just around the corner!
Help us ace this exciting semester of our
capital campaign.

Imagine...

- A friendly & welcoming rehearsal space
- Youth music workshops
- All-ages creative learning experiences
- 'Chalk Talks' on musical topics
- Schoolhouse concerts
- Residencies & artistic showcases

... and so much more!

Help us bring
people together
at The West
Schoolhouse!

Thanks to the generous support of the Westben community, we've now raised over 70% of our fundraising goal to purchase and refurbish The West Schoolhouse: **a vibrant community learning hub** for inclusive music and arts programming, and the home of our box office and administrative services. Your support helps us with **urgently-needed repairs and improvements**, including:

- electrical upgrades
- plumbing
- installing a new well and septic system
- ceiling restoration and new lighting
- landscaping and parking to accommodate local drivers

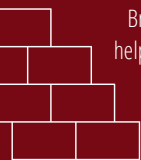

... **essentially, everything we need to safely welcome our community of passionate, all-ages learners into the space!**
