A big thank you to the contributing chefs:
Chef Savannah Power
Anita Barker
Amanda O'Rourke from Belmont Farmstead
Jordan Leal from The Hub Sauce Co.
Deng Walther from Deng's Authentic Thai Food

We had so much fun cooking your recipes across Kent Public, Hillcrest Public, Hastings Public, and St. Mary's Catholic Elementary schools!

It has been an absolute pleasure cooking and gardening with you all this past school year! Watching your confidence grow in the kitchen and seeing you build amazing gardens that help feed our whole community has been a wonderful experience. I am so impressed by how far you have come and the skills you have developed. My greatest hope is that you keep experimenting with recipes, continue growing your own food and hopefully discover a new passion that will last a lifetime! Keep cooking up greatness!

- SNP Coordinator Kimberly Davidson

We are so grateful for support from our sponsors and grant funders. Thank you for contributing to food and health education across Campbellford!
