Adult Day Program Restructuring

ALP Final Project and Presentation

Current ADP Demographics

Currently, out of the 55 active ADP clients, 48 have a diagnosis of some form of Dementia

Current ADP Structure

- Our current ADP structure and staffing ratios have not been changed since 2013, despite the changes in client demographic.

What changes can we make?

Changes to Program Space

- Lighting

Walls and Surfaces

Furniture and Layout

Nutrition

Additional Resources

- Dementia Friendly TV that offers videos on daily living, interests, trivia and daily resources.
- Free staff training from Zinnia

Additional Resources

Behavioural Supports Ontario
Soutien en cas de troubles du comportement en Ontario

Ontario Health

How will this impact the clients and caregivers

How will this impact the ADP team?
let them

Conclusion

Thank you
