To Whom It May Concern,

CMHA Huron Perth Addiction and Mental Health Services is pleased to support United Way Perth-Huron's application to the 2026 Commonwell L.E.A.F. Grant for the proposed Goderich Connection Centre.

As an organization that operates two Connection Centres, we recognize the need for a welcoming, low-barrier space where people can access existing community services and connect with longer-term supports. By bringing local organizations and services together in one trusted, accessible location, the Centre will help strengthen coordination, reduce barriers and better support people in our community.

Please feel free to reach out if you have any questions.

Sincerely,

Catherine Hardman CHE
