What a Friday Night Looks Like

One Friday night each month, the hall fills with neighbours.

1. **A SHARED MEAL**
   Chili Nights in the colder months, outdoor potlucks and barbecues in summer.

2. **15 MINUTES OF LEARNING**
   One practical idea each month, taught by a neighbour or a guest.

3. **TIME TO CONNECT**
   Neighbours of all ages, old friends and new faces.

Volunteers make a community.

Chili Nights and potluck suppers set a place for us to grow.
