RE: Letter of Support - Building Communities Strong Fund – St. Patrick's Parish, Railton.

To Whom It May Concern,

Please accept this letter in support of the St. Patrick's Parish, Railton, application to the Building Communities Strong Fund to support the expansion of an existing hall to create a larger, more flexible, functional gathering space.

The County of Frontenac, Economic Development Department supports this project as it represents an investment in our community and will provide social, economic, and cultural benefits for residents of all ages.

Some of the benefits of a modern accessible hall in our region include increased access to an indoor gathering space, supporting community connection and providing local organizations and individuals space to host community and private events. This project will will also generate economic benefits with local contractors, caterers, and other service providers, while supporting businesses in the Frontenac region.

Your support of this application will help this location in Frontenac County build a stronger community.

Thank you for your time and consideration.

Sincerely,

Joe Gallivan
Director of Planning and Economic Development
Frontenac County
