MESSAGE FROM THE BOARD

We are thrilled to present our new Strategic Plan for 2025-2030. This plan will guide us as we move forward with new initiatives and services, all of which will support our Strategic Goals.

It was important for us to create this plan with input from the Library Board and staff, community partners, library users, and all residents of Cochrane.

Join us as we embark on this exciting journey to reimagine our library—a cornerstone for community growth and enrichment.
