If You Want to Address Climate Change, Get Outdoors	“[I learned] How important it is to come together as a community to advocate for climate change.” - Anastasia, Youth Council member “[I gained] Inspiration and determination to continue my activism and confidence in my leadership skills.” - Anonymous Youth Summit Participant “The stories our presenter shared and his outlook on climate activism was quite inspiring.” - Anonymous Youth Summit Participant “I loved how there was an emphasis not only on the problem, but also on solutions which are totally feasible by us.” - Anonymous Youth Summit Participant	Climate Action Workshop © Sarah Vanasse
Navigating Eco-anxiety & Activism	“I loved connecting with new people on such a deep level. [It was] a great way to wind down and collect your thoughts.” - Anonymous Youth Summit Participant “[My favourite part was] The non-linearity of it all. It was a really nice way to de-stress and connect to people who feel the same as me.” - Anonymous Youth Summit Participant	Eco-anxiety Workshop by Emily Green
Introduction to Birding	“[I] Learned knowledge and how to find different things in nature.” - Anonymous Youth Summit Participant “I liked learning about the smell birch bark, alongside with different species of	Birding Workshop by Emily Green

	plants at the Tawingo trail.” - Anonymous Youth Summit Participant	
Wonderful World of Wetlands	“Learned different types of wetlands and how wetlands are important for the environment.” - Anonymous Youth Summit Participant	Wetlands Workshop © Sarah Vanasse
Hidden World of Herptiles	“[I gained] New perspectives about the natural world around us and knowledge about how everything is connected.” - Anonymous Youth Summit Participant	Hidden World of Herptiles Workshop © Sarah Vanasse Spotted Salamander by Anastasia Assenza
Baaknage (BINGO!)		
Confidence: Holding the Feather	“[I gained] Connection with the world around me.” - Anonymous Youth Summit Participant “[My favourite part was] Hearing the stories and learning the dances, and all the knowledge the presenters had to share.” - Anonymous Youth Summit Participant “Learned to appreciate natura and the things around us.” - Anonymous Youth Summit Participant	

Nature Photography	“[I gained] Better appreciation of the natural world.” - Anonymous Youth Summit Participant “[My favourite part was] Having the opportunity to take so many nature photos I wouldn't normally be able to take.” - Anonymous Youth Summit Participant	Water Droplets by Yiming Chen Fern by Yiming Chen Berries by Yiming Chen
Feeding the Future: Our Food Choices & Biodiversity	“I learned how to shop better, what’s greenwashing and what isn’t. I learned strategies for overcoming barriers.” - Anonymous Youth Summit Participant	Food Choices Workshop by Emily Green
Strategies for Youth-led Advocacy	“[I learned] The steps to take to speak up and take action and who to go to and when to go to them for help to solve problems.” - Anonymous Youth Summit Participant “[My favourite part was] Learning how to spread information with others.” - Anonymous Youth Summit Participant	Youth-led Advocacy Workshop by Emily Green
Tawingo Trails	“[My favourite part was] Seeing the nature and the lookout and exploring the land.” - Anonymous Youth Summit Participant “[I gained] Connections with new people and an appreciation for the natural world.” - Anonymous Youth Summit Participant “[My favourite part was] The view, the findings in the area, and the connections with other people.” - Anonymous Youth Summit Participant	View from top of the junior mountain at Tawingo Outdoor Centre by Paul Lagrata
