CORPORATION OF THE MUNICIPALITY OF NORTH GRENVILLE
Council Meeting

Agenda Number:	G.2.
Resolution #	412
Title:	Proposed attainable housing project in North Grenville - Mitch Bloom
Date:	Wednesday, September 16, 2026

Moved by: Deputy Mayor John Barclay
Seconded by: Councillor Kristin Strackerjan

WHEREAS the Municipality's Housing Accelerator Fund (HAF) Action Plan (2024) commits to exploring potential partnerships with not-for-profit builders as a means of reducing barriers to housing supply;

AND WHEREAS SBC proposes to develop a community trail connecting the Project to existing Kemptville streets and neighbourhoods, providing a shared greenspace amenity for the surrounding community and not solely for Project residents;

AND WHEREAS SBC, a federally incorporated non-profit corporation, is eligible to apply for this trail to the Ontario Trillium Foundation's Capital Grants program and to the federal Build Communities Strong Fund's Local Impact Stream (delivered in this region by FedDev Ontario), each of which may consider municipal support as part of the applicant's eligibility or competitiveness;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the Municipality of North Grenville: 1. supports SBC's applications to the Ontario Trillium Foundation Capital Grants program and the Build Communities Strong Fund Local Impact Stream for the community trail connection described above; 2. authorizes the Mayor and/or Chief Administrative Officer to issue a letter of support for these purposes; This resolution does not constitute a financial commitment by the Municipality.
